### QUALIFICATIONS

BA HONS Degree Community Justice  
BSC Applied Psychology  
Diploma Hypnotherapy and Psychotherapy

### WORK EXPERIENCE

I have worked as a probation officer then in youth justice for a number of years. I have a wide range of practice experience and have managed a number of teams across the sector. I am an experienced trainer in domestic violence and abuse and deliver safeguarding training for LSCB.

### MY ROLE

I manage the cluster team and commission contracts along with overseeing the cluster budget and finances. I lead on action plan targets to improve outcomes for vulnerable young people at risk of becoming looked after, with low school attendance, attainment and achievement and those not engaging in education, training or employment. I lead on targeted interventions at a cluster level to contribute to the outcomes of the Leeds Children and Young Peoples Plan.
